

TOWN OF STRATFORD RESOLUTION

No. INC003-2023 – Municipal Strategic Component of the Canada Community Building Fund

Motion Carried X
Motion Lost
Motion Withdrawn

Council Chambers
Town Hall
April 12, 2023

Committee	Infrastructure Committee
Moved by Councillor	<u>Steve Gallant</u>
Seconded by Councillor	<u>Jody Jackson</u>

WHEREAS the Sewage Lift Station Upgrades Phase 2 project with an estimated cost of \$3,040,000 expected to be incurred over two fiscal years, with \$1,540,000 approved in the 2023 capital budget, contingent on funding, has been selected for submission for funding under the Municipal Strategic Component (MSC) of the Canada Community Building Fund;

AND WHEREAS the Stratford Utility has applied to the MSC program for funding in the amount of \$3,080,000, as priority #1 under this program, for the Sewage Lift Station Upgrades Phase 2 project, titled Sewage Capacity and Overflow Improvements on the application. This is a necessary component of a larger project to alleviate capacity issues at the Pondside lift station by redirecting flow from the Corish lift station to the gravity trunk main.

BE IT RESOLVED that the application for funding for \$3,080,000 under the Municipal Strategic Component of the Canada Community Building Fund is hereby supported by council. In addition, Council understands and commits that it will be responsible for its' designated share of the eligible capital costs of the project and will assume responsibility for any and all operating and maintenance costs resulting from the project.
