WHEREAS Council approved a preliminary plan of a new phase of the Clearview Estate subdivision including two new streets; and

WHEREAS the Heritage Committee has reviewed the history of the area and discovered that the property being developed is shown in the 1880 Atlas to be the farm of John McGregor; and

WHEREAS the Heritage Committee has also discovered that in the Geographical Names of Prince Edward Island (1973) the region 1 mile east of Cross Roads was called Newton and the Meacham's 1880 Atlas of PEI identifies Newton on the map precisely at the existing area of Clearview Estates; and

WHEREAS the Heritage Committee has recommended the proposed two new streets be named as *McGregor Drive* and *Newton Lane* as indicated in the plan attached to this resolution.

BE IT RESOLVED that approval is granted to the streets names of *McGregor Drive* and *Newton Lane* located in the new phase of Clearview Estate subdivision as indicated in the plan attached to this resolution.

This resolution bears the recommendation of the Planning & Heritage Committee as discussed at a meeting held on August 5, 2013.
